

Providing Gifts to Less Fortunate Children Through **TOYS FOR TOTS**

As you go holiday shopping this season, please consider picking up a toy for a child between the ages of newborn to teen, and dropping your unwrapped gift off in our lobby collection box. Toys will be delivered to **Toys for Tots** in early December and will be distributed to children in our local area to families who have requested help in providing for their children.

The U.S. Marine Corps Program's mission is to collect toys and to distribute these gifts to less fortunate children in the community.
